

Symposium Announcement of ISPRS Commission III

'Photogrammetric Computer Vision', Graz, Austria, 9-13 September 2002

By Franz Leberl, TC III President

We invite you to attend the ISPRS-Commission III Symposium 2002, to present scientific work or to offer a tutorial. The Symposium will be organised by the 8 Working Groups of Commission III and one Inter-Commission-VWG:

Working Groups

- III/1: Sensor Pose Estimation
 - III/2: Surface Reconstruction from Images
 - III/3: 3-D from Airborne Laser Scanner and InSAR
 - III/4: Automated Object Extraction
 - III/5: Algorithms for Industrial Vision
 - III/6: Multi-Source Vision
 - III/7: Modelling Large Scale Urban Environments
 - III/8: Reliability and Performance of Algorithms
- IC V/III: Image Sequence Analysis

Topics To Be Addressed

We request submissions on the topics of the 9 Working Groups and on additional subjects relating to the Terms of Reference of Commission III, thus the Theory and Algorithms for Photogrammetry and Remote Sensing.

Programme

Tutorials:

9th of September, 2002. At Graz Technical University, Inffeldgasse 16.

Scientific Programme:

10th to 12th September 2002. At Graz Congress, in the historic center.

Post-Symposium Tour:

13th September 2002. To be defined.

Call for Papers – Important Dates

For oral presentation, a full paper is to be submitted for a double blind peer-review.

For poster presentation, an extended abstract of about 1000 words suffices for a simplified review.

Submission deadline: **15 March 2002**

Acceptance notification: **31 May 2002**

Final manuscript due: **31 July 2002**

All accepted papers will be printed in the proceedings and will be available at the Symposium.
